### POLICIES AND PROCEDURES

This document outlines various policies and procedures framed and followed by Kasat Securities Pvt Ltd. ("KSPL") with respect to its dealing with its clients as a stock broker on National Stock Exchange of India Ltd. ("NSE"). (Hereinafter referred as "the Exchange")

The policies and procedures as stated herein below are subject to change from time to time at the sole discretion of KSPL, depending upon regulatory changes, its risk management framework, other market conditions, etc.

The said policies and procedures and any revision/updation in the same from time to time is/will be available in the Client's web login provided by KSPL on its web site. The Client can access and refer to such policies and procedures by using user Id and password provided by KSPL. The policies & procedure updation will also be physically sent to the clients.

#### A. Setting up the Client's Exposure Limits

While setting up the exposure limits for and on behalf of the clients, KSPL broadly takes into consideration the regulatory requirement, client profile, internal risk management policy, market conditions, etc. Considering the said parameters the exposure limit for a client would be set up as follows:

- \* Exposure limits to the client will be provided based on the available margin in the client's broking account maintained with KSPL.
- \* The exposure limits will be ascertain multiple of the available margin. Such multiplier will be as decided by KSPL from time to time and may vary from client to client.
- \* On a case-to-case basis KSPL, at its sole and absolute discretion allow clean exposure limit to the client.
- \* In case of cash segment, KSPL may at its sole and absolute discretion allow clean exposure limit up to certain amount to the client without insisting for any credit balance and/or margin. The quantum of clean exposure limit shall be decided by KSPL. On a case-to-case basis KSPL may, at its sole and absolute discretion, give higher clean exposure limits to certain set of the clients. KSPL reserves the right to withdraw clean exposure limit granted to the client at any point of time at its sole and absolute discretion.
- \* Available margin for the purpose of granting exposure is calculated as a sum of free credit balance of the client in KSPL's book, margin in the form of funds, securities, bank fixed deposit, bank guarantee, etc. of the client available with KSPL.
- \* The choice of the securities to be considered as margin shall be determined by KSPL at its sole discretion from time to time and client shall abide by the same. Deposit, bank guarantee, etc. of the client available with KSPL, and the value of securities held.
- \* While granting the exposure limit, margin in the form of securities will be valued as per the previous day's closing price on NSE after applying appropriate haircut as may be decided by KSPL at its sole discretion.

. KSPL may from time to time depending on market conditions, profit and history of the client, type and nature of scrip, etc., at its sole discretion charge/change the rate of haircut applicable on the securities given as margin, multiplier for granting exposure in Cash/F&O segments and take such steps as KSPL may deem appropriate.

. The Client will have to abide by the exposure limit set by KSPL.

**B. Refusal of orders of Penny Stocks and/or illiquid Stocks/Contracts/Options.**

In view of the risks associated in dealing with Penny Stocks and/or illiquid Stocks/Contracts/Options, KSPL would generally advise its clients to desist from trading in them. Further, SEBI, Exchanges or KSPL may issue circulars or guidelines necessitating exercising additional due diligences by the clients, for dealing in such securities.

A security may be treated as Penny Stocks/Illiquid Stock/Contracts/Options if it fall in any one category as mentioned herein below:

- Securities (with face value of Rs.10 and above) traded at less than Rs.10/- on any of the Exchanges.
- Securities appearing in the list of illiquid securities issued by the Exchanges periodically.

- Securities forming part of Z group.
- Securities on which Exchange VaR is more than 50%.
- Scrips whose average daily volume in last seven days is less than 15,000 shares (Collectively for all Exchanges.)
- Illiquid options/far month options/long dated options.
- Any other securities/contracts/options as may be decided by KSPL, which may be considered by KSPL in its sole discretion as volatile or subject to market manipulation or have concentration risk at client level or at the security level or any other reason.

Trading in such securities will be allowed to the client at the sole and absolute discretion of KSPL. Such securities may be blocked in normal trading system and any dealing in such securities will be allowed only on the approval of the Risk Team as it may deem fit. KSPL may restrict the quantity of such securities if the client is allowed to buy/sell. KSPL may further insist up to 100% advance pay-in of funds/securities before allowing trades in such securities.

Under no circumstances, KSPL shall be responsible for non-execution/delay in execution of such orders and consequential opportunity loss or financial loss to the client.

The above list of criteria is an indicative list. KSPL may at its sole and absolute discretion define from time to time other category/criteria to treat a security as Penny Stocks/Illiquid Stock/Contracts/Options.

**C. Imposition of penalty/delayed payment charges by either party, specifying the rate and the period.**

**Imposition of Penalties.**
